

# ISO 9001:2015 Gap Assessment, Certification, and Internal Audit Services

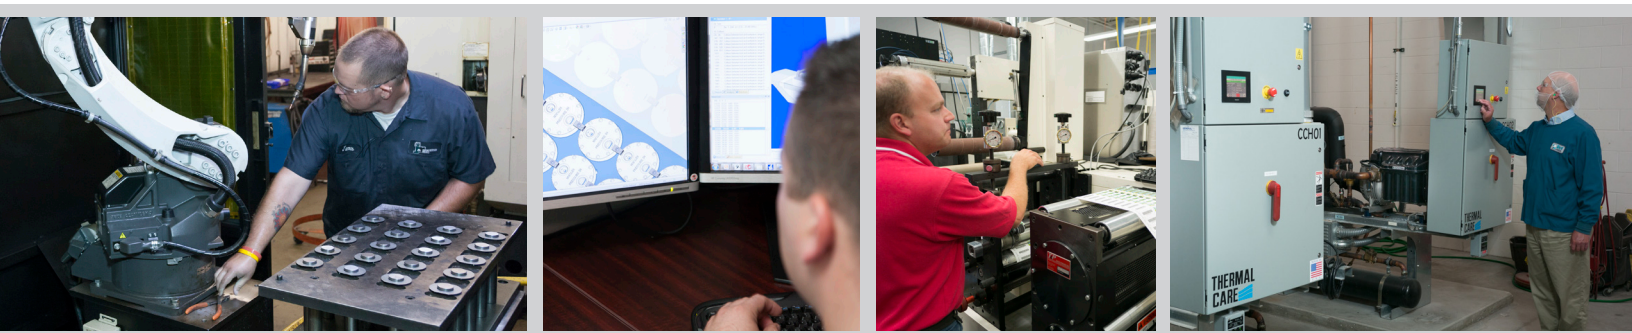

Would achieving ISO 9001: 2015 certification open new markets for your organization?

Are your customers requiring you to be certified to the 9001:2015 version?

Are you ready to streamline your existing management system?

Do you have the internal resources to establish a management system and perform internal audits of the system?

Has your ISO 9001 certification lapsed? Are you ready to implement the changes required by the latest revision?

When it comes to the world of ISO standards, WMEP has you covered. We can perform an assessment of your current status to the requirements of the standard (Gap Assessment), work with your team to the extent you require to achieve certification (ISO Implementation).

We can also be your source to conduct an internal audit of your system (Internal Audit Service). WMEP personnel can work either as a coach or as an active participant in implementing your system.

## WHAT WILL AN ISO 9001: 2015 MANAGEMENT SYSTEM PROVIDE YOU?

- ▶ A management system suited to your organization's needs
- ▶ Integration of your top management into the system to ensure alignment with strategy and accountability
- ▶ A systematic approach to risk through your entire management system to prevent issues and ensure continuous improvements
- ▶ Standardization and flexibility in documentation
- ▶ Ability to align with other key management system standards

**WMEP brings a wealth of manufacturing experience and a deep knowledge base in achieving a successful, on-going ISO certification.**

- ▶ WMEP can systematically assess gaps and areas of non-compliance via an **ISO Gap Assessment**.
- ▶ We can lead, assist or conduct a full **ISO Certification Implementation** project activity.
- ▶ WMEP can perform a complete an **ISO 9001: 2015 Internal Audit** and help get your ready for a certification or Surveillance Audit.

**WMEP CAN**

- ✓ Identify gaps in your system with the ISO standard (ISO Gap Assessment)
- ✓ Deliver a full ISO 9001: 2015 Implementation
- ✓ Perform your internal ISO Audits

## WMEP's Value Proposition

092418

How we're different	Why it matters	How clients benefit
We are an end-to-end solution. From supply chains to sales, we have the capability and networks to positively impact your business.	We understand the contributions of the pieces to the whole and use this understanding to help you optimize your enterprise.	We can identify the most impactful enhancements to make to your business to help you achieve your objectives.
We have extensive experience across all major manufacturing industry sectors in Wisconsin.	Our breadth and depth of experience working on projects and companies similar to yours increases our speed and effectiveness.	It takes less time for our staff to learn your business and objectives. We apply proven solutions to your business challenges.
We are all about manufacturing. We work with everyone and anyone who is committed to the success of manufacturing in Wisconsin.	We get manufacturing, and we're ready to roll up our sleeves and get to work to help you be successful and achieve your objectives.	In addition to our talented staff of experienced manufacturers, we provide access to our extensive national networks of industry experts.
We are evaluated by the results we produce for your organization. Your success is our reward.	Our objectives are aligned. We only recommend solutions that will help you achieve your business objectives.	Since the year 2000 we have generated over \$3.0 billion in total financial impact for our state economy, averaging slightly over \$450,000 per project.
